MEMORANDUM FOR:

Confirming our conversation earlier today, we forward the following comments on the proposed DCID No. 1/\_\_\_ on travel policy for your consideration prior to today's meeting of the NFIB. Paragraph 4 begins as follows: "While US citizens are not restricted by US laws from traveling in foreign countries, . . . ." This is not entirely appropriate considering US passport area restrictions. For this reason and for the further consideration that perhaps we ought not commit ourselves to a legal judgement in this area, suggest that this phrase either be deleted or modified to read as follows: "While US citizens are legally entitled to travel in foreign countries, . . . ."
